About Me

I am a dynamic and passionate Full Stack Web Developer proficient in the MERN Stack, well-versed in MongoDB, Express.js, React.js, and Node.js. My expertise extends to AWS, allowing me to deploy robust and scalable applications. As a seasoned C++ programmer, I tackle challenges with precision and efficiency. Beyond coding, I am a dedicated tech enthusiast, exploring the latest advancements and trends. My enthusiasm extends to the realm of Machine Learning, where I eagerly delve into creating intelligent and innovative solutions. With a keen eye for detail and a thirst for knowledge, I am committed to pushing the boundaries of technology and delivering impactful results.
